“I have been working with Books In Print [Web site] and have been able to find almost anything with even the most vague descriptions from customers ... I use it every day, and it is the best search tool to have around!”

- Elizabeth Campbell, Johnson County Community College

An indispensable resource for booksellers, publishers and librarians, **BooksInPrint.com Professional** offers complete, unbiased bibliographic information on over 5 million in-print, out-of-print and forthcoming book, audio, and video titles from the U.S. An online version of the highly regarded **Books In Print®**, **BooksInPrint.com Professional** features over 30,000 full-text previews, 140,000 tables of contents and over 700,000 reviews of titles by over 200,000 publishers. Cover images, author biographies and annotations are just a few of the many other database benefits. With every **BooksInPrint.com Professional** subscription, Bowker is now offering a complimentary **PatronBooksInPrint.com** subscription, which features all the content of **BooksInPrint.com Professional**, designed specifically for use by your patrons or customers. **Visit the PatronBooksInPrint.com page** for more information, or [CLICK HERE](#) for a detailed comparison.

In Spring 2004, **BooksInPrint.com Professional** launched a new, simplified interface with Streamlined Workflow features. Designed to aid in workflow and time management, the enhancements will include new Feature tabs at the top and bottom of each Search Results and full description page, as well as new pop-up windows that will display even more detailed information without taking users away from the page being viewed.

BooksInPrint.com Professional's superior search capabilities allow you to combine up to 31 search criteria and find the perfect title, and now features BIP ALERT (learn more about this feature.) This service allows you to save search criteria and receive an e-mail any time a title is released that matches your previously saved search settings.

Special interest rooms, including the Forthcoming Book Room, the Children's Room and the Fiction Room, will help you choose the perfect titles for your needs. Bestseller lists and award winners are also categorized for easy search and ordering ability.

FOR LIBRARIES ...

Bowker's Hooks to Holdings™ allows users to search their library's catalogue directly to see if the title they're interested in is available or has been checked out, or joint subscribers can link to OCLC WorldCat for interlibrary loans. You can check stock availability from over 26 suppliers, order titles directly from Emery-Pratt or BookSurge and purchase out-of-print and rare titles from Alibris. **BooksInPrint.com Professional** also offers downloadable records in ASCII, CSV, MARC and many other vendor-specific formats, eliminating the need to re-key information.

FOR BOOKSELLERS ...

Stay on top of hot trends with Media Mentions, where you can find titles mentioned on popular broadcasts and publications. Improve customer service by using our professional reviews to recommend titles. Locate and order rare and out-of-print titles through Alibris. Download title information in a POS compatible format to save time and prevent re-keying errors.
