

CHILDREN'S

Books in Print® 2007

“... the most complete list of currently available children's books published in the U.S.”

- BOOKLIST

Produced from BooksInPrint.com™, the industry's largest bibliographic database, **Children's Books In Print** is the most authoritative and unbiased resource of its kind available. Separated into two easy-to-use volumes, the first contains a title index of more than 385,637 books from over 21,622 United States publishers. Volume two is the author and illustrator index, which features more than 207,237 contributors (photographers are included here as well). The second volume also contains complete contact information for all publishers, distributors, and wholesalers listed in **Children's Books In Print**.

The 2006 edition is a vital resource for any librarian with patrons who are young readers. This reference tool allows you to track down any children's book, even hard to find titles from small presses. Locate works by a favourite author or illustrator. Ordering is made even easier with current prices, ISBNs and publisher contact information.

For even better value, create a standing order and save 10% on this edition and 5% on all future editions, which will be sent to you automatically. A standing order may be cancelled at any time
