

FORTHCOMING BOOKS

Anticipate thousands of upcoming releases from the US market with a subscription to Bowker's **Forthcoming Books**. This authoritative guide, published three times a year in May, October and December, will provide you with the most accurate bibliographic information available.

By staying current with book acquisition, collection or niche development and patron requests, you'll have the ultimate edge in customer service. With convenient indices and publisher-supplied annotations for thousands of listings, this reference tool allows you to keep track of not only forthcoming titles but also postponements and changes in price, edition, title or ISBN.

Each issue of **Forthcoming Books** expands on the previous issue, updating entries and adding new ones. Information is included about adult trade books, technical and scientific books, young adult and juvenile literature, college texts, paperbacks, imports, revised editions and reprints.

Published three times a year, the latest edition gives you a look at the newest titles for your bookstore or library, enabling you to make smarter decisions faster. Each issue contains top publishers' forthcoming selections along with helpful indexes, cover images, a reviews listing and some current book industry highlights.

Stay on top in the world of publishing.
