

MAGAZINES

FOR LIBRARIES™ 15TH EDITION

“There is nothing comparable to *Magazines for Libraries*™ ... a valuable tool for collection development [it] should be considered by academic and public libraries.”

- BOOKLIST

In these times of shrinking budgets and difficult collection choices, **Magazines for Libraries** provides essential information, useful statistics and comparative data to help you support your collection decisions.

You can rely on **Magazines for Libraries** to provide you with more than 6,850 full-text reviews and recommendations from nearly 200 subject specialists. Libraries of all types; public, university, college, junior college, school, and special, benefit directly from this critical evaluation of journals, magazines and databases to create and maintain quality collections of all sizes.

Now, more than ever, **Magazines for Libraries** provides the serials information you need to build and maintain a quality collection that best meets the needs of your library's users.

For even better value, create a standing order and save 10% on this edition and 5% on all future editions, which will be sent to you automatically. A standing order may be cancelled at any time
