We know that leading librarians demand immediacy (and accuracy) -- that is precisely why Bowker developed **American Book Publishing Record® Monthly** with your exact needs in mind.

Comprehensive and convenient, **American Book Publishing Record®** brings cataloguing entries for over 10,000 new titles every month right to your desktop. Arranged in three parts; the main section is organized by Dewey Decimal Classification Number with the remaining Adult Fiction and Juvenile Fiction arranged alphabetically by main entry author or title.

Entries in the **American Book Publishing Record®** are derived from Machine Readable Cataloguing data (MARC) and contain such vital cataloguing information as Dewey and LC classifications, title and statement of authorship, edition, series, LC number, ISBN, binding, price, and subject tracings.

Have all the information you need right at your fingertips with **American Book Publishing Record® Monthly**. Order today and start saving valuable time and effort!
